

2020 Event Calendar

Version 1

As a result of popular demand, our **region meetings are now scheduled for the last Sunday in the month** and we'll change venues throughout the year to give as many people as possible the opportunity to attend without travelling the length of two counties (well that's the theory...)

Monthly meets are also a chance for **you** to organise a run out for the club; pick a route through **your** favourite roads starting or ending up somewhere we can grab a bite to eat and have a gab. The unallocated months are shown as AVAILABLE! on the calendar, take your pick and let me know which month you want.

As always, event times and dates can be subject to change. Check the region website www.tvrcc-northcumbria.co.uk/ before travelling or contact me directly via email; ro@tvrcc-northcumbria.co.uk

All the best
